

Sexualisation & Sexual Exploitation Accept or Resist?

Wednesday 17th November 2010
6.00pm – 8.30pm
The Albany Conference Centre
44 Ashley Street, G3 6DS

Concerned about the sexual exploitation of women and children?

Fed up of hearing that prostitution is ‘just another job’?

Do ‘lads mags’ make you angry?

**Worried about your children seeing pornography? Even more
worried about what to say to them about it?**

Is it ok for girls to be dressed as ‘mini women’?

If these and other questions bother you, come along to this free event:

Get information on commercial sexual exploitation

Share your views with other women.

Give us your ideas on what services should be doing about these issues.

Hear about current campaigns and how you can get involved.

Light refreshments will be provided. We can pay travel and childcare
expenses for women on low income.

This event has been organised by the Women’s Support Project on behalf of
