Women Into Public Life

WiPL is an 'EU's INTERREG IVA Programme' with partners in the Republic of Ireland and Northern Ireland. It is managed by the Special EU Programmes Body (SEUPB) www.seupb.eu. In Scotland Engender delivers the project for SEUPB. www.engender.org.uk

Women into Public Life is working with women in Argyll. We aim to help women have their voices heard, influence the delivery of services and engage locally and nationally in politics. We are doing this by offering training, seminars, mentoring and a range of experiences of decision making structures and processes.

Mull and Iona Community Trust

The Mull & Iona Community Trust is a charity, working to improve the quality of life for all residents, tackling economic, social and environmental issues, in an integrated and sustainable way. Our charity is committed to being an open, democratic organisation, working in partnership with other bodies.

The Trust has helped Community Businesses like the Mull Butchers and the Mull slaughterhouse; and works in partnership with the Friends of Calgary Bay, the Native Woodland Project, Argyll and Bute Social Enterprise Network, the Mull Ranger Service and the Sea Eagles on Mull. It has also been involved in the promotion of Island Events such as Wildlife Week and the Food Festival.
