GIFT AID DECLARATION - Give extra FREE with Gift Aid **

If you are a UK taxpayer and want Engender to reclaim tax on your donations simply sign and date this statement. I am a UK taxpayer and would like Engender to reclaim the tax on all donations I have made since the 6 April 2000, and all future donations, at no extra cost to myself.

NB. The Inland Revenue have asked us to inform you that you must pay an amount of income or capital gains tax at least equal to the tax we can reclaim on your donations in the tax year. The only people who should not sign this declaration are those who pay *no* tax, or always give through a scheme, such as CAF, where tax has already been reclaimed. Signing this declaration allows us to increase the value of anything you do give us in the future as well.
